Due to the 2019-2020 outbreak of the Novel Coronavirus (COVID-19), we are taking extra precautions at Woodstock Town Football Club in line with FA guidance and guidance from central government.

- The Club House and Facilities are out of bounds to all players and staff unless express permission is given
- There is one toilet open. All players must sanitise their hands before and after use
- Players must social distance where possible
- Sharing of water bottles is strictly prohibited
- Players must sign the register before being allowed to play/train
- Numbers are strictly limited to 30 (including coaching staff)
- Players must book onto the training session in advance
- Players must follow all additional guidance and risk assessments put in place by WTFCC and the Committee
